RESPONSE TO OFFICE ACTION

Dear Sir:

In response to the Office Action dated May 22, 2002 please amend the above-identified application without prejudice as follows:

IN THE SPECIFICATION:

Please replace the fourth paragraph, beginning on line 13, on page 4 with the following:

When the invention is used on wire form products, welding, soldering or brazing are appropriate construction techniques for the device. Attachment techniques or fastener arrangements such as welding, soldering or brazing can be used to attach the wire form to the wire apparatus 1. When plastic is used, the attaching device could be integrally formed by molding. It is possible to use adhesives to construct the device when it is made from metal, plastic or wood.

CERTIFICATE OF MAILING/TRANSMISSION (37 C.F.R. 1.8(a))

I hereby certify that this paper (along with any paper referred to as being transmitted therewith) is being deposited with the United States Postal Service on the date below as first class mail in an envelope addressed to: Box Non Fee Amendment, Commissioner for Patents, Washington, D.C. 20231.
